## Air show offers organizations chance to earn

BY JAMES BROOKS

NAS Key West Public Affairs Officer

Naval Air Station Key West's "Blue Angels In Paradise" air show is fast approaching and NAS' Morale, Welfare and Recreation Department is looking for organizations who are interested in making some money through volunteering to work various jobs during the weekend events.

Military clubs, organizations affiliated with the base, youth organizations and local community organizations will have the opportunity to get involved by volunteering their time to work and earn money for their organizations.

"There are many jobs that need to get done to make an air show like this successful," said NAS Key West Morale Welfare and Recreation Director Tim Campbell. "We need over 200 people to support food and beverage sales. This work will include sell-

ing to the customers, wrapping hot dogs/hamburgers, preparing the food (grills), transporting food, and other smaller details."

According to Campbell, organi-

zations will earn money based on how many shifts are worked by their volunteer members. Shifts for volunteers are five hours long and members will have to work

the entire shift. The amount an organization can earn is based upon the number of volunteer

## Florida transportation crews to start work on Cow Key Bridge

### FROM THE KEY WEST CITIZEN

Work on and under the Cow Key Channel Bridge to repair corrosion-damaged concrete will begin later this month or early November.

The work is expected to be completed by February, according to a press release from the Florida Department

of Transportation.

Lane closings will occur during non-peak hours, from 9 a.m. to 4 p.m. and from 6 p.m. to 7 a.m., Monday through Friday. No lanes will be closed on Saturday, Sunday, any holiday or during Keys special event dates as determined by the engineer of the project, the FDOT release said. The engineer may adjust lane closures times.

Should a hurricane or other event make evacuation necessary, the contractors will clear the roadway and reopen lanes to facilitate these efforts prior to the evacuation order.

For Boca Chica personnel, please adjust your drive times accordingly, so you won't be late for work!

## A long and distinguished history

Happy birthday, U.S. Navy! Wednesday, October 13th marked the 229th birthday of the U.S. Navy and across the Fleet, the week will be marked with cake cuttings, special events and Navy Balls.

Why is the time of year so special for Navy Sailors and our civilian co-workers?

This is an excellent time to reevaluate our place in history and America and challenge the assumptions we've made about an American Navy. The world is

NAS Key West  
Commanding Officer  
**Capt. Jim Scholl**

changing and we need to stay ahead of the changes, embrace innovation and improvements, and finally lead the change that is a trademark of our proud history.

You are the Navy's greatest asset. From the first Sailors in the Continental Navy in 1775, we continue to celebrate a long and distinguished history of Navy heroes. The recent Global War on Terrorism reaffirmed the single greatest advantage we hold over every potential adversary: the genius of our Sailors who contribute their utmost to

accomplishing the mission. Some of the greatest lessons we've learned mark the 229-year legacy of the Navy.

Forward presence is not a new concept in today's modern Navy. President Theodore Roosevelt's "Great White Fleet" created the concept of what we refer to today as forward presence when he deployed 16 battleships on a 40,000-mile global deployment making 20 port calls on six continents between December 16, 1907 and February 22, 1909.

*History offers a great legacy of where we've been and points us in the direction we're heading.*

Today, carrier strike groups and expeditionary strike groups are deployed around the world to answer the nation's call.

The Navy isn't alone in answering the nation's call. More now than ever, we are joined with our counterparts in the Army, Air Force, Marines, and Coast Guard. Believe it or not, joint warfare is not new.

During the Battle of Vicksburg during the U.S. Civil War, Union Army, Navy and Marine forces collaborated during a 45-day battle against the Confederacy. History offers a great legacy of where we've been and points us in the direction we're heading.

Years from now when we pause during the second week of October and remember the Navy birthday, many people will consider

THIS time as the most important time in U.S. history. You and I are getting to live history right now. We can make a difference in the Navy and in the world.

Happy 229th birthday Navy!

## A national plea for prayer

Someone once said that if Christians understood the full extent of the power we have available through prayer we might be speechless!

Prayer has changed the course of many wayward people, softened hardened hearts, mended broken relationships, forced enemies to withdraw and changed the outcome of judicial and non-judicial decision making, just to mention a few.

According to the Holy Scriptures prayer spoken with a broken spirit and a contrite heart God would not turn away. Prayer is the means of communicating with God. It may be private and public. One can utter a prayer privately in the corridors at the workplace, on the way to work, among friends and colleagues. Prayer changes many things...and some things can only come by prayer and fasting.

There is a National Plea, starting today for forty days of prayer. As of today we will have eighteen days until Election Day for the President of the United States of America.

shifts filled and profits made by the air show, not the individual booths.

"At any one time we need 50 people working the three planned booths. We expect the booths will be open for 10 hours each day which equates to two shifts," explained Campbell. "That's a total of four shifts for the weekend air show so that's how we calculated the need for 200 volunteers."

Organizations that are interested need to notify MWR by Monday, October 18. Organizations must submit a list of volunteers and have a point of contact, with a phone num-

No matter which party you support, please pray each day that the Lord will bless our nation and place in power, the right man that has been predestined to be our leader in these challenging times and possibly

troubled years ahead. Many other major events are taking place throughout America and abroad before and after the election. The Bible has used the forty days numerous times; I believe this will be good also for our nation.

If you would like to participate in this National Plea for prayer begin every evening at 9 p.m. starting tonight and continue for forty days. Simply pause and pray for our nation's safety, troops, citizens, world peace, and the election. Prayer is the most powerful and essential asset we have. Go for it!

ber and an e-mail address.

While organizations and its members can indicate a preference of the shifts they'd like to work, MWR can't guarantee they will get the shift they want since volunteers are needed to fill four work shifts. Volunteers can work more than one shift.

There will be two meetings prior to the air show to ensure the proper training has been provided as required by the Navy. Final work assignments will be made about a week in advance; however, volunteers need to be prepared to work any of the tasks required to serve our customers.

## Mission is accomplished at local sites

BY SUSAN GOULDY

President/CPO, United Way of Monroe County

On Saturday, October 9 the United Way of Monroe County held a Day of Caring.

Projects included power-washing and yard maintenance for the Easter Seals Child Development Center; painting classrooms at Wesley House's Inez Martin's Child Care Center; and trimming trees, planting and mulching the grounds at the facility housing the Boys & Girls Clubs, Big Brothers/Big Sisters, Literacy Volunteers of America and the Monroe Association for Retarded Citizens.

The United Way is most grateful to all the volunteers that

Erick Malespin, left, and Kim Howell help paint at Inez Martin preschool during United Way's Day of Caring held Saturday. Erick and Kim were among volunteers from the air traffic controllers at Boca Chica Naval Air Station and Seabee Unit 402 who participated in the workday, which kicks off United Way of Monroe County's Fall Fund raising campaign.

## DEFY training includes a trip to aquarium

BY ABHC (AW) RANDALL GALE

On October 3, NAS Key West DEFY held their monthly meeting at the Sigsbee DEFY House and the Key West Aquarium. The meeting reviewed topics that the youth will see during Red Ribbon Drug Awareness week later in the month.

The training centered on the dangers and effects of drugs, tobacco and alcohol. The six steps to saying no were also reviewed with situation role-playing. A test was then given to test the kid's knowledge and they did pretty well.

I would like to thank the mentors who did a great job with the training. ABHC Bone, GM1 Nicolas and LN3 Kindley kept the topics interesting and involved the youth in meaningful role-play. After the training, everyone enjoyed some huge homemade chocolate chip cookies and brownies made by the Durant family.

Next we loaded the youth into

two 12-passenger government vans (provided by the NAS Key West motor pool) and headed to the aquarium. Many of the youth have never visited the Key West Aquarium and for the first 20 minutes we all had a chance to look over the exhibits and then at 3 p.m. a guided tour and feeding captured everyone's attention.

There was much laughter as the stingrays splashed the kids while being fed and everyone enjoyed watching the sharks eat their dinner. The tour guides even held some smaller sharks so everyone could touch their

tails, which felt like sandpaper. The biggest attraction was the hands on crustacean exhibit.

Overall the youth had a great time, enjoyed themselves, and learned much on this day. There is always something fun going on at NAS Key West DEFY.

## Speed Demons

You hear the sirens behind you and you know what's about to happen. It's too late -- you are about to get a speeding ticket. Actually, there are things that you can do to, perhaps, get off with only a warning.

Autoadvice.com, run by Brocom L.L.C., suggests that you slow down and pull over to the right shoulder immediately after the officer pulls behind you. Stay in your car unless you are asked by the police to leave it.

Roll down the window when asked, and keep your hands visible on the steering wheel. If you need to reach into your pockets,

purse or glove compartment to get your driver's license, registration or insurance card, explain what you are doing.

Speak courteously and clearly, and don't let passengers speak unless they are instructed to do so.

And maybe, just maybe, you won't get that ticket. Nonetheless, the best way to avoid a speeding ticket in the future is to follow the speed limit!

## MWR Boys & Girls Club

### Photography Club Special Event

BY TANYA RAY

Youth Programs Assistant

On October 6, MWR Boys & Girls Club photography club held a special event with the No Limits Car Club.

No Limits brought five awesome cars to Sigsbee Park so the photography club members - ages 10-18 - could participate in a car show. The kids were able to interview No Limits Car Club members about their cars and their club. The youths also took many pictures of the cars and their owners.

A little shy, yet eager, the youths warmed up and began interviewing the car owners. The kids couldn't help but start dancing when the car club

members turned their cars on and the cars blasted music, they especially loved the sound of the bass.

The photography club members are: Jackie Nelson, 13, Amanda Sookram, 14, Erica Fonseca, 11, Taylor Sanko, 11, Dillon Nelson, 10, Maylissa Shuler, 11, Courtne Coleman, 10, Daniel Hierscheck, 10, Justin Nelson, 12, Audrey Kokenzie, 14, Ocean Wadleigh, 11, Kyle

Hernandez, 14, Jura Sacks, 12, Sebastian Morton, 14, Ashley Boeskool, 11, Wally Moore, 10, Kevin Jevdic, 12.

No Limits Car Club members Brad Meirs, Art Davis, Kevin Delahanty, and Jeff Rocha, all participated in this special event, which was held behind the MWR Boys & Girls Club building.

No Limits Car Club is also hoping to do another car show, with more cars and more events to happen. They are hoping to let the kids judge the cars and to let them get more information hoping that the youth would feel free to open up and ask many questions and take more pictures.

The MWR Boys & Girls Club photography club would like to thank all the members of No Limits Car Club for their help and for making this special event happen for the kids.

# VOTE!

# Ethnic observances: More than just a luncheon

BY MMC(SW) JARVIS L. MORGAN  
NASKW Equal Opportunity Advisor

It's that time again! Another ethnic observance that requires planning, planning, and more planning. Only this time, the planning has taken a twist.

With the closing of the "Reef" galley, expectations are that the attendance for our Hispanic Heritage Observance will take a dramatic drop. I disagree. After all, people weren't going there

just to eat were they?

These observances are great opportunities, not only for the recognition of contributions and achievements of all Americans to the American culture, but a perfect opportunity for education and training as well.

They're also designed to enhance cross-cultural awareness and promote harmony among military members, their families and our civilian work force. There doesn't have to be a meal served to accomplish this does there?

Unit cohesion, organizational effectiveness, and combat readiness are phrases heard daily throughout our military. Awareness, recognizing, and acknowledging are words that will strengthen those phrases at

our organization. How? By training our service members and civilian employees to be more aware of other cultures and races; by recognizing the achievements and contributions others have made; and by acknowledging and understanding that there are similarities as well as differences within our command that we all can appreciate.

The special meals and decorative cakes some times overshadow the recognition of those achievements, contributions and command interaction, which is where we should be placing our focus.

Observances that focus on the training aspect are much more effective than those that focus only on the entertainment or

leisure for those in attendance.

To fully create an organization that values diversity and enhance our unit cohesion, we must keep in mind the real purpose of an ethnic observance.

*...We want and expect to see a diverse group of individuals attending our ethnic observances.*

The Defense Equal Opportunity Management Institute's (DEOMI) philosophy for learning is; "Tell me and I'll forget; show me and I'll remember; involve me and I'll understand.

NAS Key West's EO committee works hard when putting

together an observance and we want and expect to see a diverse group of individuals attending our events.

On October 27 we will be observing Hispanic Heritage Month in the west wing of the "Reef" at 11:30 a.m. Although there won't be a meal served or cake baked for this event, we need participants as well as a good attendance.

If you'd like to bring a lunch however, that's okay. If you'd like to participate, contact ACC Palmer at x2630 or MMC Morgan at x2859.

The bottom line is this: In order for us to meet the true objectives of ethnic observances we need your assistance. After all, ethnic observances are more than just a luncheon!
